Students feedback on Curriculum for session 2023-24

The feedback on curriculum was collected from the students for the session 2023-24. The main objective was to evaluate the suitability, usefulness, interest generated by the teachers. The analysis of the feedback has been tabulated in the table as given below.

Q1. % age of Syllabus covered during the session.	More than 80%	70-80%	60-70%	50-60%	40-50%
Response	51	27	13	7	12

ATR : The response indicates that almost all subject's syllabus coverage was very good. The students who are reporting less than 70% of syllabus being covered belong to B.Com. stream & fact behind this is that during session 2023-24, out of the two faculty members one was on maternity leave. So only single teacher covered her own class syllabus as well as that of other teacher.

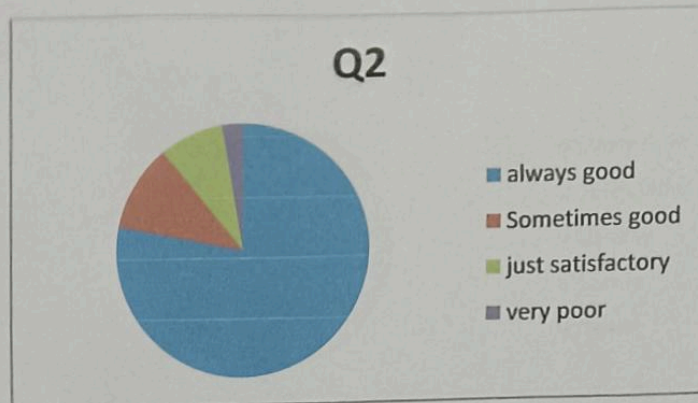

Q2. Communication Behavior of Teacher with the students.	always good	Sometimes good	just satisfactory	very poor
Response	86	12	09	03

ATR:-- The response indicates that there is no communication gap between teachers and students.
