Curriculum Planning and Implementation

Government Degree College Baldwara follows proper measures to plan and implement the Curriculum of Sardar Patel University Mandi. Every Department of college designs its own curriculum, plans it and follows it throughout the session as per the guidelines of the University. We follow all the five mentioned criteria given below:

1. **Teaching Schedule:-** Every Department of the college follow a well-planned Teaching Schedule with proper details of units to be covered during the session.
2. **Learning Outcomes:-** We believe in all round development of personality of our students. So we expect our students to excel in every field of life. Our main objective is to make our students knowledgeable and competent to face future challenges.
3. **Curriculum Enrichment Practices:-** Our College arranges educational tours every year, conducts field surveys and carry out projects. We are also having Students Feedback and Parents Feedback survey.
4. **Internal Assessment Mechanism:-** We follow all the guidelines of University in conducting MTT, Assignments, Class tests, and even career related programs (Presentations) in different faculties.
5. **Prompt Communication of Assessment/Results to Students:-** We also believe in timely display of MTT results on notice board and final result on college website as soon as it is declared by the University.

Curriculum is considered as the backbone of educational institution in imparting the basic information among the students. Our college is in its first decade of being came into existence, so we lacks in some kind of resources. But we believe that we will definitely improve our standards while following the above mentioned points in upcoming years.
