World Environment Day Plantation Drive

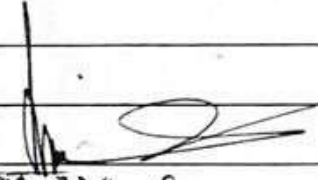

On June 6, 2024, the Eco Club at G.D.C. Balwara organized a special event to celebrate World Environment Day.

The event was marked by a meaningful plantation drive, which was carried out under the guidance of Principal Prof. Vijay Kumar Kaundal. The plants for the plantation drive were donated by worthy Principal Sir.

The enthusiastic participation of students and staff made the event a great success, contributing to the promotion of environmental awareness and conservation practices within the college community.

Tagging of Indoor Plants on College Campus
Eco Club in collaboration with the Botany department hosted a Tagging of Indoor Plants Program on November 6, 2024. This event was designed to raise awareness about indoor plants' ecological significance and encourage sustainable practices within our community. During the program, participants engaged in various activities, including identifying and tagging various indoor plants, learning about their care requirements, and understanding their role in improving indoor air quality. Faculty members shared valuable insights into the ecological benefits of indoor plants and how they can contribute to a healthier living environment.
